Estimate:

Dear

Please provide a copy of this repair estimate to the contractor of your choice. If there are any questions regarding the scope of work or prices estimated, please contact us before the work is started and allow us an opportunity to inspect the additional damage before initiating any repairs. Again, please note, **additional work or cost is not authorized without prior approval of insurance.**

According to the terms and conditions of your policy, we will pay no more than the actual cash value of the damage until actual repair or replacement is complete. You may then make a claim for the recoverable depreciation amount. Any amounts shown as non-recoverable or settlement factor are not eligible for reimbursement. Once the repairs to your property have been completed, please send your final invoice(s) along with any other supporting documentation. Payment for up to the eligible amounts in our estimate will be considered, but no more than the necessary amount actually spent.

Please be aware there are time limits set forth in the Conditions section of your policy which may affect the time within which you may pursue your claim. Please review the Conditions section of the policy, as may be endorsed, particularly noting the Suit Against Us or Legal Action Against Us provisions. The insurance expressly reserves all rights and defenses under the policy of insurance, the law or otherwise and the insurance does not waive any term, condition, limitation or exclusion contained in the policy, whether or not enumerated herein. All rights and defenses are expressly reserved without qualification or limitation.

Thank you for choosing us, and should you have any questions, please feel free to contact us.
